

WHY JOIN?

Concrete Ontario provides both active and associate members the opportunity to come together and interact/network. Whether your interest is for business and/or social reasons, the association is here to facilitate relationships among members and industry to strengthen our roots as a unified voice, and to promote concrete as the building material of choice.

As a Concrete Ontario member, you instantly gain access to an elite pool of resources and programs, such as the latest in research and insight, business and networking opportunities, marketing and promotional support and tailored educational programs. Being a part of the association is an investment in both your company and your industry.

REQUIREMENTS

- Be persons, firms and/or corporations engaged in the manufacture and/or sale of machinery, equipment, supplies and services used in the ready mixed concrete industry.
- It is understood and agreed to that the applicant shall agree with the Association and each member thereof to be bound by the By-Laws, Rules and Regulations to the Association from time to time in force and abide by and comply with every resolution, ruling and decision of the Board of Directors. (RMCAO By-Law 1A-7)
- In consideration of the grant of membership, each member covenants and agrees to and with the Association and each of its members to serve, perform, abide by and be bound by and to comply with every By-Law, Rule and Regulation of the Association from time to time in force and to abide by and comply with every ruling, resolution and decision of the Board of Directors. (RMCAO By-Law 1A-8)
- Must be sponsored by a Concrete Ontario Member Company.

ASSOCIATE MEMBERSHIP

ASSOCIATE MEMBERSHIP DUES

Associate Member dues for 2020/2021 are \$1415.00 plus HST of 13% per annum, totalling \$1598.95, and our year runs from August 1st through July 31st.

To help introduce your product and/or service to the ready mixed concrete industry, we offer new members a one-time electronic broadcast advertisement describing your company's services to our membership.

HOW DO YOU BENEFIT

- Receiving up-to-date information on the issues that affect the ready mixed concrete industry
- Sharing the benefits realized through the aggressive marketing programs and the creation of larger markets
- Your company (products/services) will be listed on our website
- Benefiting from the Association in its influential representation on many Canadian Standards Association (CSA) committees, and other industry related bodies
- Attending networking events, such as the AGM and Convention, golf tournaments and ski day
- The opportunity to become involved with any of the standing or ad hoc committees that work to improve all aspects of the ready mixed concrete industry
- Using the expertise of the Regional Industry Councils (RIC) to assist in the solution of local issues and challenges

ABOUT US

Concrete Ontario is governed by a Board of Directors from within the industry, which represents small and large companies reaching all parts of the province.

The Association is active in a number of areas of the industry including environmental stewardship, education and training of our clients, new concrete and admixture technologies and ongoing partnerships with many industry partners.

To date, Concrete Ontario represents 94 Active and 80 Associate member companies. Concrete Ontario members produce approximately 96% of the provincial concrete volume.
