

Currently (AZ or DZ) full time ready mix driver positions for a fast growing forward thinking Ready Mix Concrete Company.

Who Are We:

We are more than just a concrete company. Innocon Inc. is an industry leading, quality oriented, innovation driven solutions provider for your concrete needs. Throughout the years we have developed a strong reputation based on our consistent focus on quality and service. Excellent coverage from our ready-mix plants throughout the Greater Toronto Area allows us to provide the highest level of service to all our customers.

We believe in providing our employees with a positive work environment by maintaining a positive working culture based on safety.

We are looking for AZ or DZ drivers with a clean abstract to join our team. The ability to operate a manual transmission is required.

Ready mix experience preferred, but not required.

We offer:

- **Competitive wages, health benefits and pension benefits as per our union collective agreements.**
- **Well maintained equipment with the latest GPS system.**
- **Training in use of Ready Mix equipment and other job requirements.**
- **Smith System defensive driver training provided by Innocon company trainers.**

We also offer continued training on all aspects of the job which allow our drivers to be part of policy changes that help drive change in a positive engaging way.

Locations include: Toronto, Richmond Hill, North York, Mississauga, New Market, and Pickering

Why you should apply?

- **Competitive wages**
- **A positive work culture with a great emphasis on safety.**
- **Well maintained equipment.**
- **A growing company with continuing on the job training.**
