

WE GIVE DOWN-TO-EARTH A WHOLE NEW MEANING

We're Lehigh Hanson. Our products build cities and towns, including stadiums that hold thousands of fans, and bridges that support millions of vehicles. We have thousands of employees across hundreds of locations in the U.S. and Canada, making us North America's leading supplier of cement, aggregates, ready mixed concrete, asphalt and related construction materials. We might be a big company, but we appreciate and encourage our people to share their ideas and help shape our future. We want every one of our people to play an active role in growing our business. With our diverse product lines and locations across North America, there are opportunities to explore different roles and work on a variety of exciting and interesting projects. We're a tight knit team. While we strive to be the best, we do it with an attitude that is humble, accessible and down-to-earth. We don't ask you to "fit in" to our culture. We invite you to add to it.
