

# Job Title: Fleet Mechanic-310T Mechanic

Job ID: 471519

Work Type: Full Time Permanent

**DELIVER CONCRETE RESULTS - JOIN THE DUFFERIN CONCRETE TEAM AT CRH CANADA**

**You will be a successful addition to our team if you look at change as an opportunity to develop and contribute to the business. You will be successful in your role if you like partnering with the business, presenting new ideas and providing excellent customer service.**

Reporting to the Fleet Supervisor, this position is responsible for providing maintenance and repairs to the Dufferin Concrete/Ontario Redimix fleet of heavy duty trucks. This includes use of leading diagnostic technology to identify breakdowns, ordering required parts, removal, rework and installation of various engine and chassis components, as well as performing maintenance schedules. Working knowledge of diesel engines, hydraulic pumps and motors, and air brake systems are required.

The key customers are the drivers and equipment operators who use these trucks and heavy equipment to perform their work.

## **Educational & Experience Criteria:**

- 310T Mechanic License
- Basic knowledge of truck and heavy equipment operation
- Working knowledge of related maintenance and repair practices
- Working knowledge of diesel engines, hydraulic pumps, motors, and air brake systems
- Oral and written communication skills
- Basic understanding of computer applications
- Valid driver's license

## **Position Dimensions:**

- Safety oriented
- Effective interpersonal skills
- Reliable and able to work under pressure
- Ability to deal with multiple tasks and prioritize work effectively
- Team oriented
- Flexible work schedule
- Basic knowledge of concrete and the construction industry is an asset
- Maintain a clean and organized work environment at all times
- Ability to be a self-starter and work independently
- Flexibility to perform other duties as assigned
- Open to working at other locations, as needed

## **Why work for us?**

- Global leaders in the construction industry
- Clean and safe facility
- Great benefits and pension
- Ongoing training to learn the latest in the industry
- Uniforms provided, boot allowance
