

Dufferin Concrete, A CRH Company is currently hiring a **Fleet Mechanic** to join their growing team!

### **Who we are**

Recognized as one of [Greater Toronto's Top 100 Employers](#), [Dufferin Concrete](#) has been a trusted supplier, providing the materials, expert advice and value-added services to build roads, highways, schools, homes and buildings in Southern Ontario. Our network of 28 plants and over 400 ready-mix trucks provide a variety of standard and custom concrete mixes to meet technical specifications for commercial, industrial, institutional, and residential construction customers. We have earned our reputation as one of the most trusted, experienced, and quality-driven concrete suppliers in Canada, with over 100 years of service in the building materials industry.

CRH is a leading provider of building materials solutions that build, connect and improve our world. Employing 78,500 people at 3,390 operating locations in 29 countries, CRH has market leadership positions in both North America and Europe.

### **Why work for us?**

- Global leaders in the construction industry
- Competitive Progressive Wage
- Great benefits and pension
- Clean and safe facility
- Ongoing training to learn the latest in the industry
- Uniforms provided, boot allowance

**Term: Permanent**

**Location: Whitby, On**

**Start Date: ASAP**

### **Job Responsibilities:**

- Reporting to the Fleet Supervisor, this position is responsible for providing maintenance and repairs to the Dufferin Concrete/Ontario Redimix fleet of heavy duty trucks
- Use of leading diagnostic technology to identify breakdowns, ordering required parts, removal, rework and installation of various engine and chassis components, as well as performing maintenance schedules.
- Working knowledge of diesel engines, hydraulic pumps and motors, and air brake systems are required.

**Requirements:**

- The ideal candidate will hold a 310T Mechanic License, or be a 2<sup>nd</sup> or 3<sup>rd</sup> year apprentice.
- Working on all systems of the ready mix truck, including engines, hydraulic pumps, motors and air brake systems, no two days will be the same.
- There will be some travel to other Dufferin Concrete plants so a valid driver's license is required.
- Strong interpersonal skills and safety first approach will be a key to success in the role
