

## Ready Mix Concrete Truck Driver (Concrete Delivery Professional)

**Reports to:** Batch/dispatch personnel and Plant Manager

### **Job description:**

Deliver ready mix concrete to various job sites by means of a ready mix concrete straight truck in a safe, professional, and efficient manner.

### **Qualifications:**

- AZ/DZ license is good standing: a clean Driver's Abstract and CVOR
- Minimum 1-year experience truck driving experience is preferred
- Must successfully complete a company road test
- Flexible to work overtime and Saturdays as needed (typical shift is Monday to Friday, 8 to 12 hours per day)
- Punctual and reliable
- Capable of performing regular physical labour (e.g. climbing ladders, lifting up to 50 lb, operating equipment)
- Fluent in English—both verbal and written

### **Responsibilities:**

- Safely operate a concrete mixer truck with an automatic or 9-speed transmission in accordance with the Highway Traffic Act.
- Perform daily pre-trip and post-trip inspections and hours of operation logs.
- Deliver ready mix concrete from the plant to the jobsite. Drivers are responsible for the consistency/slump of the concrete based upon customer requirements.
- Drive on public and private roads as well as off-road conditions in all types of weather.
- Respond to customer needs on site in a professional manner.
- Keep the truck exterior and interior clean—especially of concrete build-up.
- Perform general maintenance and upkeep of the truck.
- Participate in duties at the concrete plant: housekeeping, maintenance, and other duties as necessary.
- Participate in health and safety programs and training sessions.
- Wear all PPE as prescribed.

Competitive compensation, pension, and benefits.
