

Concrete Batcher Job Posting

Location: Sudbury, Ontario

Company: Fisher Wavy Inc.

Position Type: Full-Time, Permanent

Who We Are

Fisher Wavy Inc. is a Sudbury-based industrial contractor serving mining, commercial, and institutional clients across Northern Ontario. We deliver mechanical, structural, and general contracting services and supplies with a strong commitment to safety, quality workmanship, and supporting the communities where we work.

The Opportunity

We're currently seeking a reliable and detail-oriented **Concrete Batcher** to join our team in Sudbury, Ontario. This opportunity is ideal for individuals with experience in concrete production or those looking to build a career in a fast-paced construction materials environment.

In this role, you will be responsible for accurately batching concrete, monitoring mix designs, and ensuring product quality meets required specifications while supporting safe and efficient plant operations. If you take pride in accuracy, value safety, and enjoy working as part of a collaborative team, this could be the right fit for you.

Your Day-to-Day:

- Mix and monitor concrete according to specific requirements and quality standards.
- Operate batching equipment to load a mixer, ensuring that all materials are loaded correctly and in the proper quantity.
- Maintain accurate logs of batch quantities, materials used, and other relevant records.
- Drying sand, stone, and other aggregate materials for bagging.
- Perform material testing and sampling to ensure product quality.
- Display professionalism toward our company and customers.
- Physical work including lifting (up to 50 lbs), bending, crouching, climbing, crawling and reaching repeatedly throughout the workday.
- Must maintain a clean and tidy work environment and equipment.
- Work in accordance with all internal, client and regulated health and safety policies, procedures and/or regulations, including wearing appropriate Personal Protective Equipment (PPE).
- Perform related duties as assigned.

Concrete Batcher Job Posting

YOU ARE A GOOD FIT IF YOU HAVE:

Education:

- High School diploma or equivalent is considered an asset.
- Relevant post-secondary education such as a degree or diploma in construction, engineering, or a related field is considered an asset.

Knowledge, Skills and Abilities:

- Strong organizational and multitasking skills.
- Strong attention to detail to ensure work quality and compliance are being appropriately monitored through inspections and observations.
- Excellent verbal and written communication skills, including ability to effectively communicate with internal and external customers.
- Excellent computer proficiency (MS Office – Word, Excel and Outlook).
- Proficiency in using batching software.
- Ability to adapt to last-minute changes as dictated by the needs of our customers.
- Ability to work under pressure and meet deadlines, while maintaining a positive attitude and providing exemplary customer service.
- Ability to work independently and to carry out assignments to completion within parameters of instructions given, prescribed routines, and standard accepted practices.

WHAT WE OFFER:

- Extended health benefits, dental, and life insurance
- Employee & Family Assistance Program (EFA)
- Company Pension
- Company Events
- Competitive Wages

To Apply

All applications must be submitted to careers@fisherwavy.com. By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a resume.

Concrete Batcher Job Posting

At Fisher Wavy we seek to hire individuals with diverse characteristics, backgrounds, and perspectives. We strongly believe that world-class talent makes no distinctions based on gender, ethnic or national origin, sexual identity and orientation, age, religion, or disability, but enriches itself through these differences.

Fisher Wavy welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

We thank all applicants for their interest, and all will be given consideration for the position, but only those who are selected for interviews will be contacted.

Pay: CA\$ 27.00 – CA\$32.00 per hour

The pay range posted reflects base compensation only. Starting pay is based on skills, experience, and qualifications. Benefits and other incentives are offered separately.

Posting Date: April 8, 2026
Expiry Date: May 8, 2026
