**Location:** Lynn Lake, Manitoba

**Company:** Fisher Wavy Inc.

**Position Type:** Full-Time, Contract

## Who We Are

Fisher Wavy Inc. is a Sudbury-based industrial contractor serving mining, commercial, and institutional clients across Northern Ontario. We deliver mechanical, structural, and general contracting services and supplies with a strong commitment to safety, quality workmanship, and supporting the communities where we work.

## The Opportunity

We're currently seeking a skilled Heavy Equipment Mechanic to support our operations in Lynn Lake, Manitoba. This role is ideal for a licensed tradesperson who can confidently troubleshoot complex mechanical issues, prioritize repairs, and maintain clear communication with operations to minimize downtime. If you take ownership of your work and value safety, efficiency, and quality repairs, this opportunity may be the right fit.

## Your Day-to-Day

- Perform electrical, hydraulic and mechanical maintenance
- Anticipate and troubleshoot breakdowns, list parts required and process orders
- Perform vehicle road tests
- Document all repairs on work orders or computer system. Fill out appropriate inspection sheets when required.
- Daily inspection of all parts to ensure they are appropriately marked
- Communicate with operations and supervisory staff on availability of equipment
- Prioritize tasks to ensure work is completed efficiently
- Prepare daily service reports and other required documents
- Physical work including lifting (up to 50 lbs), bending, crouching, climbing, crawling and reaching repeatedly throughout the workday
- Maintain a clean and tidy work environment and equipment
- Rotational shift schedule of two (2) weeks in and two (2) weeks out including evening work as required
- Work in accordance with all internal, client and regulated health and safety policies, procedures and/or regulations, including wearing appropriate Personal Protective Equipment (PPE)
- Perform other related duties as assigned

## You Are a Good Fit If You Have
