

Ready-Mix Truck Driver Job Posting

Location: North Bay, Ontario

Company: Fisher Wavy Inc.

Position Type: Full-Time, Seasonal

Who We Are

Northern Brick is a Northern Ontario supplier of masonry, landscaping, and building materials, proudly serving contractors and homeowners from locations in North Bay and Sudbury, Ontario for more than 40 years. Northern Brick is committed to providing the highest quality products, exceptional customer service, and a wide selection of materials to support projects of every size, from small residential work to large commercial developments.

The Opportunity

We're looking for a dependable and safety-focused Ready-Mix Truck Driver to join our team in North Bay, Ontario. In this role, you'll operate a concrete truck delivering ready-mix to industrial work sites ensuring each load is mixed, transported, and discharged safely and accurately. This position is well-suited to a professional AZ or DZ licensed driver who takes pride in their equipment, values clear communication with dispatch and site crews, and understands the importance of timeliness, safety, and attention to detail. If you enjoy hands-on work, being part of a hardworking team, and contributing directly to projects that help build our region, this opportunity may be a great fit.

Your Day-to-Day

- Mix and deliver concrete to customers on a timely basis according to ticket instructions
- Set up, use and maintain tools and equipment associated with concrete pumps mounted on trucks including assembling concrete chutes and operating chute controls during pour
- Safely set up and operate the conveyor belt system located on the truck
- Visually inspect mix, slump and verify load size
- Safely operate and drive a Ready-Mix concrete truck
- Maintain accurate records of deliveries, including the amount of concrete delivered, the time of delivery and any other pertinent information
- Communicate necessary information to dispatcher
- Communicate with other workers, using signals, radios, to start and stop flows of materials.
- Maintain accurate driving records
- Perform pre-trip and post-trip inspections, complete vehicle inspection reports, and report unsafe conditions and accidents
- Physical work including lifting (up to 50 lbs), bending, crouching, climbing, crawling and reaching repeatedly throughout the workday
- Maintain a clean and tidy work environment and equipment
- Work evening, weekends, and extended hours as required to meet operational and project demands
- Work in accordance with all internal, client and regulated health and safety policies, procedures and/or regulations, including wearing appropriate Personal Protective Equipment (PPE)
- Perform other related duties as assigned
